### **MEDICATIONS:**

The only medication that we are allowed to provide is **TYLENOL and a few other over the counter items.**

**PARENTS ARE THE ONLY ONES ALLOWED TO GIVE MEDICINE TO THEIR CHILDREN.**

When guests arrive each day, they are required to give over-the-counter and prescription medications to the WEEK COORDINATOR who will place them in locked storage. Guests must ask for the medication when needed. The OVERNIGHT COORDINATOR WILL also have access to the locked medicine case.

### **CONTAGIOUS DISEASE:**

If any guest has or develops a contagious disease, IHN will make other arrangements for the guest until the period of contagion is past. If a guest becomes ill while at the HOST site, follow the directions below. Be sure to let the IHN staff know if a guest is contagious.

### **FIRST AID KITS:**

First Aid Kits are kept in the coat room and in the IHN CLOSET. In a metal cabinet in an IHN CLOSET there are “surgical” gloves for your use: cleaning an open cut, changing diapers, nose bleeds, vomit, etc. (Clean-up supplies are in IHN CLOSET).
